PROFESSIONAL DEEP CLEANSE

250K

25 MINS

An Express Ritual for Radiant Skin

A short-but-sophisticated facial designed to purify, refresh, and rebalance your skin. Perfect after sun, sweat, or a long travel day, this treatment delivers that “clean slate” feeling in under 30 minutes – without compromising on luxury.

We begin with a meticulous double cleanse to melt away sunscreen, pollution, and Bali build-up. Steam gently opens the pores and softens debris, preparing your skin to drink in hydration. A finishing trio of toner, moisturiser, and SPF leaves your complexion calm, light, and luminous.

Results:

Fresh, smooth skin that feels purified, balanced, and radiant – perfectly prepped for your day, or your next facial.

Best For:

A sophisticated skin refresh – perfect after flying, during hectic weeks, or anytime your glow needs reviving.

Suggested Add-Ons:

- Hydrojelly Mask (120K) – Amplify hydration and lock in nutrients with a cooling, glow-enhancing mask everyone raves about.
- Hyaluronic Acid Serum Skin Booster (120K) – Supercharge moisture levels and leave skin plumped, juicy, and radiant.
