FACIALS

Glow with purpose

Real results, real glow. For skin that doesn't need a filter. Facials that actually do something — and feel indulgent while they're at it.

We use Dermalogica products, professional-grade actives, and a calming ritual, to give you total relaxation and skin that looks lit from the inside.

5% of every facial supports Bali Life Foundation — a local charity for women and children.

Prices are all inclusive.

FACIALS

PROFESSIONAL DEEP CLEANSE

25 MINS *250K*

A fast, sophisticated refresh for skin that needs a reset.

Perfect after sun, sweat, or a long travel day. A meticulous double cleanse, gentle steam, and a finishing layer of hydration and SPF leave your skin clean, light, and luminous — in under 30 minutes.

Results: Fresh, smooth, balanced skin — prepped for your day or your next facial.

Add-On: Hydrojelly Mask (120K) — a cooling, glow-enhancing mask everyone raves about.

FACIALS

CALM & RESTORE

60 MINS *490K*

Barrier repair for reactive, sensitive skin.

When your skin is reacting — red, hot, tight after too much sun or a routine that's been too harsh — this gives it what it needs to settle.

Cooling ice globes, barrier-repair serums under a soothing mask, finished with an LED session. Nothing abrasive. You walk out cooled and calm.

Results: Calmer, less reactive skin — soothed, comfortable, and restored, not stressed.

Add-On: Collagen Eye Treatment (50K) — cool, hydrate, and de-puff tired under-eyes.

FACIALS

DEEP HYDRATION

60 MINS *650K*

A moisture drench for thirsty, lacklustre skin.

When your skin feels tight, parched, or flat, this gives it a long drink. A relaxing facial massage helps everything absorb, then hydrating serums and a rich mask lock moisture deep in. You leave supple, plumped, and dewy.

Results: Nourished, plumped, glowingly smooth skin with hydration locked in.

Add-On: Neck & Décolletage (150K) — we carry the treatment down to your chest, the area that ages fastest and usually gets skipped.

FACIALS

BRIGHTEN & GLOW

60 MINS *725K*

For dull, uneven skin that needs waking up.

A glow-inducing peel, brightening Vitamin C actives, and oxygen therapy work together to clear dullness, even out tone, and drive glow deeper. No irritation, no downtime — just instantly fresher, more luminous skin.

Results: Brighter, fresher, even-toned skin.

Add-On: LED Light Therapy (150K) — Yellow to boost radiance and calm inflammation.

FACIALS

CELESTIAL LIFT FACIAL

75 MINS *800K*

Lift. Contour. Illuminate. Get red-carpet ready.

Like your personal glam squad in a facial. RF therapy firms and lifts, contour massage reduces puffiness, oxygen infusion floods skin with active serums — finished with a deeply relaxing face and neck massage. Camera-ready in one session.

Results: Firmer, smoother, more defined skin with a lit-from-within glow — like a soft-focus filter, but real.

Add-On: Retinol Eye Treatment (50K) — smooth fine lines and wake up tired eyes.

FACIALS

SKIN REHAB

90 MINS *950K*

An advanced reset for congested, stressed skin.

Our most targeted treatment for breakout-prone, inflamed, or congested skin. A 9-step protocol — manual extractions, high frequency, oxygen infusion, and targeted serums — finished with a treatment mask and hydrating sealant to rebuild the barrier. Professional-strength, zero downtime.

Results: Refined pores, smoother texture, clearer and rebalanced skin.

Add-On: LED Light Therapy (150K) — anti-bacterial blue or collagen-boosting red.
